THE NEXT CHAPTER STARTS NOW

FORMER UNITED STATES AMATEUR CHAMPION STEVEN FOX ON PGA TOUR LATINOAMERICA!!!

Imagine being on the ground floor when Tiger Woods, Phil Mickelson or Matt Kuchar turned pro? In September of 2013 Steve Fox followed in the footsteps of his fellow United States Amateur Champions by becoming a Professional.

Fox's decision came off a 2012-2013 amateur campaign in which he held State, National and International titles while playing at University of Tennessee Chattanooga.

Since 2013, Steven has been playing on the Web.com Tour, PGA Tour Canada, PGA Tour Latino America and in 2014 he WON the Tennessee SunTrust State Open Championship.

National: 2012 Fox rallied from 2 down with 2 to go to win the United States Amateur at famed Cherry Hills Country Club.

International: 2012 Fox teamed with Chris Williams and Justin Thomas to win the World Amateur Team Championship for the United States.

State: In August of 2013, Steven ran away with the Tennessee State Amateur Title.

College: 3-time All-Southern Conference and All-Freshman in 2010

- Two-time PING All-East Region
- 2011 TGA Match Play Champion
- 13 Top-10's in College. 8 Top-5's -- including a win and 4 runner-up's.

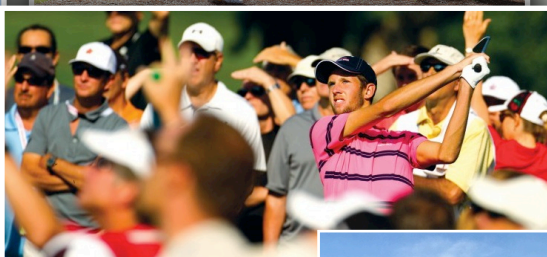

Amateur and Pro: Steven has played in the Masters, United States Open and Open Championship. Fox has been featured in numerous articles and television segments.

Tournaments from PGA Tour Latinoamerica to the PGA Tour itself have used Steven's name and story to draw media attention and fans.

Personality: Steven constantly has a smile on his face and perspective beyond his years. He is fully embracing his experience on the Latin American Tour and keeps fans entertained and updated via an active Social Media presence.

stevenfox4 What a week in Córdoba, Argentina! My caddie Horacio spoke no English, but could read the hell out of those greens! Thanks to him and everyone for their support this week! Get a week off and then back at in Panama! #taylormade #second #adidas

Travel: Planes, Trains, Automobiles.. Steven would be a perfect Uber brand Ambassador especially on his sometimes crazy journey to all of Latin America's hot spots.

stevenfox4 Probably one of the coolest places I have ever played golf! Had an earthquake yesterday (5.1) and the volcano in this photo erupts every 5-10 minutes! Guatemala is one of my favorite places so far!

stevenfox4 So, this happened today at the resort in Honduras..

After being gone for a month in foreign countries, it's safe to say I've had a few traffic violations driving home 🤔
